SIR,

Remuneration to Examiners in the Ayurvedic and Unani College, Mysore.

In forwarding herewith a copy of letter No.245 dated 24th December 1934 from the Vice President of the Ayurvedic and Unani College, Mysore, on the above subject, I have the honor to state as follows:-

2. At present the examiners for conducting the Annual Examinations in the College are being selected by the Board of Examiners and each examiner is paid a remuneration of R 25/- for setting question papers and valuing the answer papers in two subjects. An extra amount of annas eight for each examinee is also being paid for conducting the oral and practical examinations, the College lecturers being co-opted as Assistant Examiners for the purpose. The total cost on account of these examinations comes up to R 900/- annually.

3. With a view to systematise the grant of remuneration to the examiners, proposals were called for from the Vice President, and a copy of his report in consultation with the College Committee is sent herewith. The chief feature of the revision is that the written examination is divided into 28 subjects--18 in Ayurveda and 10 in Unani--and the practical examination to 8 subjects, 4 in each section. A remuneration of R 20/- to the former, both for setting question papers and valuing the answer papers and R 50/- for practical examination in each subject has been proposed, the College lecturers being co-opted in both as Assistant Examiners and the remuneration being divided

equally between the Chief and Assistant Examiners. These proposals involve a total cost of Rs. 1035/- including a provision of Rs. 75/- for conducting the Entrance Examination as detailed in the margin against the present expenditure of R 900/-. But as the system of holding the Entrance Examination has since been abolished in G.O.No.946-8/Muz.127-34-4 dated 3rd January 1935, the extra cost involved over the present expenditure is only R 60/-.

(1) Written Examinations	28 x 20	Rs 560/-	
(2) Oral and Practical	8 x 50	" 400/-	
(3) Entrance Examination		" 75/-	
	Total	R 1035/-	

4. The Committee's proposals have been examined and it is found that the remuneration proposed is lower than that allowed by the University for the L.T.P. and T.P., P.S., Examinations. In the circumstances, I request that sanction of Government may be accorded thereto, the extra cost of Rs 60/- being met from the provision under "Purchase of Medicine and College Necessaries".

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No.245 dated 24-12-35 from the Vice President, Ayurvedic and Unani College, Mysore, to the Muzrai Commissioner in Mysore.

With reference to your letter No.56/34-35 dated 31st/2nd July/August 1934, calling for comprehensive proposals regarding the number of examiners to be entertained, and the remuneration payable to each of them, I have the honor to state that the matter was placed before the Committee in their meeting dated 8-12-1934, and a resolution was passed whereby the number of the subjects in which the students have to be examined and the remuneration payable for setting the question papers and valuing the answers is fixed. A copy of the resolution is enclosed herein, together with Principal's letter No.439 dated 19-12-134 in original which explains the details of the case. An extra expenditure of R 135/- over the allotment will be required to meet the cost of examinations and the same will be met o t of savings under other heads. I request that sanction of Government may kindly be obtained to the proposals contained in the Committee's resolution.

The Vice-President,
Govt. Ayurvedic and Unani College Committee,
Mysore.

Sir,

With reference to Puzrai Commissioner's No. 56/34-35 dated 8th July 1934, regarding the fixing up of the remuneration to the --- examiners for the College Annual Board Examinations, I have the honour to state that the subject was placed before the College Committee held on the 8th instant and a copy of the resolution together with the -- statement in the matter is here ith submitted for favour of obtaining due sanction. Up till now, each examiner was given two subjects with a remuneration of Rs. 25/- only, for setting the question papers, -- valuating the answer books, and conducting the oral and practical -- examinations also by taking an extra amount of annas eight only for each examinee with the class lecturers as co-examiners in oral only. The method was well discussed in the Committee and the procedure of taking class lecturers as co-examiners even in written examinations, as is in vogue in all medical schools and colleges, was explained by Dr.Pannambulam (Member) and the statement that was submitted to the Committee for their kind consideration was fully approved.

Though the remuneration for an outside examiner is recommended as Rs.10/- only for each subject, he will get the same remuneration as before being given two or more subjects as in previous years out -- without the necessity of going over here from mofussil places for the sake of oral examinations unless he is specially appointed for it.

Subjects for written Examinations are:-
